

## **NoviFlow Recognized with the Deloitte Technology Fast 50 Leadership Award**

*Company wins prestigious Leadership Award as part of the 18th annual Deloitte Technology Fast 50 Awards Program for demonstrating innovation and leadership.*

Montreal, Quebec ([PRWEB](#)) November 13, 2015 -- [NoviFlow Inc.](#) won a prestigious Leadership Award, as part of the 18th annual Deloitte Technology Fast 50 Awards Program for demonstrating innovation and leadership.

Deloitte Technology Fast 50 Leadership Award winners are selected on their ability to create a distinct competitive advantage in a high growth market. The awards are presented to Deloitte Technology Fast 50 qualified companies that demonstrate technological leadership on four key criteria: competitive advantage, growth and market attractiveness, management effectiveness and organization, and financial performance.

NoviFlow's President and CEO, Dominique Jodoin, credits the company's innovative network processor-based switching solutions and applications, and in particular its NoviWare forwarding plane software, for the company's ability to rise to a leadership position in their segment.

“We are pleased that our NPU-based switches and software are becoming key elements in the deployment of scalable, robust, and high-demand SDN, cloud, and Network Functions Virtualization (NFV) solutions,” said Jodoin.

“Technology Fast 50 Leadership Award winners are amongst the elite of Canada's technology sector. NoviFlow's proven ability to dominate their sector puts them amongst the ranks of Canadian global leaders,” said Robert Nardi, Technology, Media and Telecommunications Managing Partner for Deloitte Canada.

To qualify for the Leadership Award, candidates must be headquartered in Canada and devote a significant portion of their operating revenues to creating proprietary technology or intellectual property.

### About the Deloitte Technology Fast 50

The Deloitte Technology Fast 50 program is Canada's pre-eminent technology awards program. Celebrating business growth, innovation and entrepreneurship, the program features three distinct categories including the Technology Fast 50<sup>TM</sup> Ranking, Companies-to-Watch Awards (early-stage Canadian tech companies in business less than four years, with the potential to be a future Deloitte Technology Fast 50<sup>TM</sup> candidate) and the Leadership Awards (companies that demonstrate technological leadership and innovation within the industry). Program sponsors include Deloitte, Bank of Montreal, Bennett Jones, OMERS Ventures and Vistara Capital Partners. For further information, visit [www.fast50.ca](http://www.fast50.ca).
